

UI Designer & Front End Developer

Abbas Zabier Mohammad

I'm a UI Designer & Front End Developer with a background in Computer Science. I'm from Indonesia, and I really like making web design and mobile design. Besides creating designs, I also like slicing from web design to html & css, and i have website portfolio. For UI Design I've worked on several project designs, first the app trabo project, the second the STAY app project, and the YoSinaw web project.
